By Jean Stephens

A Children's Church Ministry should not be just another Sunday School class. The basic structure of it should be more of a church service type. The time element can and should be more flexible because it depends largely on the adult church service. Keep the flexibility at the end to allow different dismissal times.

SUGGESTED ORDER OF ACTIVITIES

(Two possibilities: Children to go to Children's Church directly from Sunday School or the children to be dismissed after worship time in the adult service.)

Singing (Praise and Worship, Offering, Prayer.....15 minutes
Snack (Provide or have the children bring their own.....10 minutes
Bible Lesson.....15 minutes
Activities.....15-45 minutes

SINGING (Praise and Worship), OFFERING, PRAYER
